Objective:
Determined and creative Software Developer looking to utilize eagerness to learn, passion for coding, and problem solving to transition from design to development in the tech industry.

Education:
- **Eleven Fifty Academy, Software Development Immersive Learning Program, Indianapolis, IN, Started October 2020**
  - 24-week immersive learning program for Software Development taught with industry-guided curriculum, real-world project-based learning, and 500+ hours of logged coding time and training. **Graduated May 13,2021**
- **Purdue University, Bachelor of Science in Engineering, Lafayette, Indiana**

Competencies & Functional Skills:
Problem solving, troubleshooting, creativity, visual communication, customer service, critical observation and thinking, organization, Agile methodology, portfolio development, addressing and resolving business challenges

Technical Skills:
Languages: C#, ASP.NET, API development, HTTP methods, MVC, pair programming
CI/CD: Agile, Scrum, Git
Testing Tools: Rational Clear Quest, Mercury Tools, Unit Testing
Databases: SQL Server, relational databases
Web Technologies: HTML, CSS, APIs, stateless components, session validation, responsive web design

Technical Projects:
- **Grandma's Recipe Box App**
  - Utilized C#, Web API and worked as a team to develop the application
- **MadLibs Game**
  - Used C# to develop a pair programming game with another developer
- **4 Gold Badge Challenges**
  - C# to create 4 different types of programs utilizing a list, queue, dictionary, and an ENUM
- **Pilates Plus**
  - MVC application for a small studio owner to organize clients, track their studio sessions, and equipment utilized

Professional Experience:
Recent Experience:
- Court appointed guardian and estate executor for an older adult.
- Managed assets, paid bills, provided essentials for the individual in the guardianship.
- Provided Guardianship accounting to the state court during the guardianship and final accounting once closed.
- Selected as Medical Advisor, POA, and executor of my parent's estate.
- Created documentation supporting the estate opening and closing.

Home Educator:
- Researched curriculum/teaching styles available
- Selected curriculum for 2 students in different grades
- Created lesson plans
- Tracked progress by course, grade, and year
- Created high school transcripts, diplomas
- Students both graduated from Purdue University within 4 years and each earning two under graduate degrees

Awards & Achievements:
- EFA: Gold Badge, Blue Badge, Red Badge
- Awarded the Learning Core Value by Eleven Fifty Academy
- MTA Software Development Fundamentals Certification
